

About Us

Streamline Fundraising's Patent Pending easy-to-use fundraising platform allows your community to compete against one another, by playing skill-based e-sport games on a mobile device.

Unlike gambling fundraisers, there are no limitations on how you spend the funds as long as it falls under the umbrella of your fundraiser.

Our Strategy

Earn more while doing less. Our solution to fundraising allows you to earn more than the average fundraiser. Our team will help you get started with tips on keeping the process simple.

Receive tickets in the mail, distribute tickets and collect funds

Chris & Jen Kampen

" We knew there had to be a better way to fundraise. We are excited with the final product we made, and hope you enjoy it too!"

Maximize Donations
Minimum Effort

Our Process

As the fundraising administrator, log into our easy-to-use fundraising platform and create your organizations fundraiser. Sell \$10 tickets to your community. Players compete against one another by playing skill-based e-sport games on our free mobile device app. Winners get cash prizes.

You earn more on every dollar raised than with traditional fundraisers.

Spend the funds raised as you need for your organization.

EARN 57% TO 82% ON EVERY DOLLAR RAISED!

Mission

At Streamline Fundraising, our mission is to help organizations save time and earn more money in their fundraising endeavors.

Our innovative and easy-to-use platform helps streamline the fundraising process for the administrators, sellers, and donors freeing up more of their valuable time.
